Dear Sonny,

Congratulations again to Michael Nash Design Build & Homes, Inc. for winning three more Chrysalis Awards In 2024. This is the sixteenth consecutive year in which Michael Nash Design Build + Homes has won a Chrysalis Award, the most in the nation.

In the sixteen years you have submitted entries you have won 43 awards, a national record, including 31 Regional Chrysalis Awards covering 12 states from Florida to Virginia and west to Texas. You have also won 12 National Awards where your projects were judged to be the best in the nation. It's also noteworthy that these awards are in the most competitive categories such as Kitchen, Bath, Additions, Interior and Exterior Remodeling, Detached Outbuilding, Residential Interior and Whole House Remodel.

Since the awards began in 2000 Michael Nash is one of only nineteen companies in the country to be recognized with the Decade of Excellence Award for winning a Chrysalis Award in ten separate years.

This volume and variety of winning projects demonstrates the breadth of the company and the fact that you have won a Chrysalis Award for sixteen consecutive years, reflects your long-term commitment to the highest level of design excellence and professionalism. This performance also reflects the value you have provided to your clients.

I am proud to be able to list your accomplishments to the industry and the public and look forward to your continued success.
